

Start free at the workshop. Grow into an AI workforce.

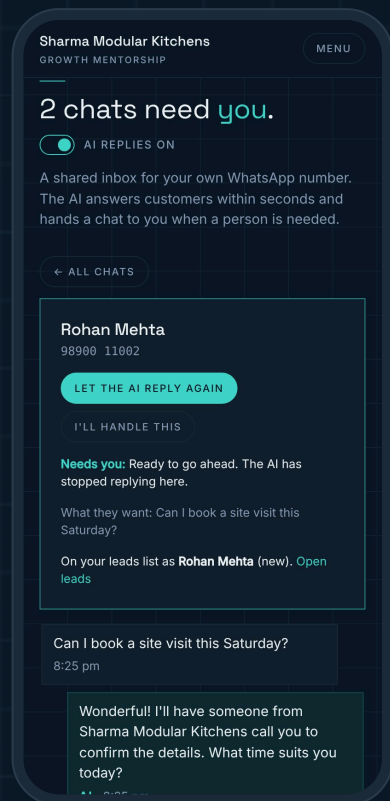

Every owner leaves the 2-day Business AI workshop with a live website, a Business AI Score and an AI Writer that knows their business. The same hub then grows with them — a weekly rhythm, the program's frameworks filled in with their own numbers, sales and cash on a system, and finally AI staff who reply, call, follow up and report on the owner's own WhatsApp and CRM.

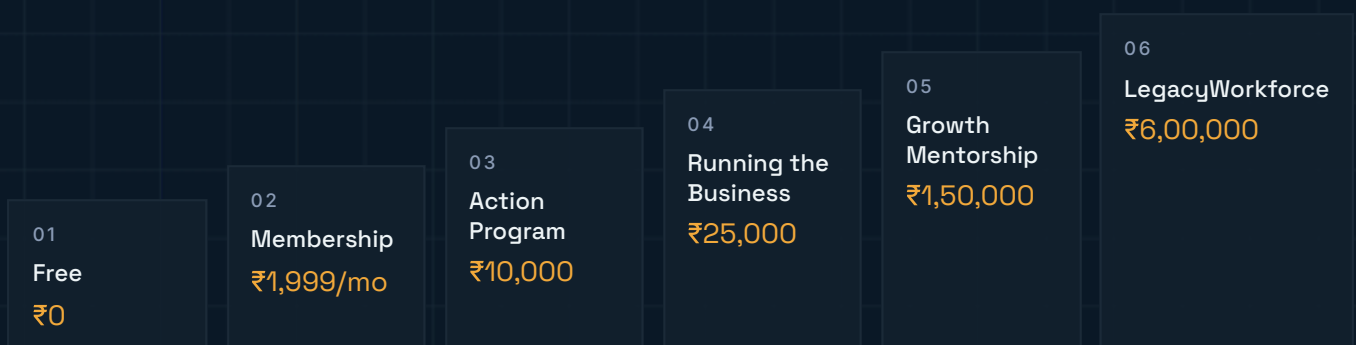

Your website at yourname.employz.ai

Five minutes a day, with a streak

AI staff on your own WhatsApp

Each level does **more** for you.

Each level includes everything before it. Programs are one payment for the period shown; Membership is monthly and can be cancelled any time.

Website at yourname.employz.ai · Business Brain from your website or a voice note · Business AI Score · launch kit · AI Writer

Membership

₹1,999 a month

A rhythm that keeps you moving

Your week every Monday · a 5-minute action every day · Friday score · festival calendar · member call · AI tools · Magic Number · Gaps scan

Action Program

₹10,000

The program, with your numbers

Lead magnet · offer ladder · revenue levers · customer portfolio · the Football Field pipeline · leak finder · 4 end goals · Send list

Running the Business

₹25,000

Sales and cash on a system

GST quotations and invoices · money owed · payment reminders · quote follow-ups · customer desk · Employz.ai CRM starter

Growth Mentorship

₹1,50,000

Six AI staff on your accounts

Set up for you in 6 months · AI replies on your WhatsApp · AI Telecaller · Company Brain · campaigns · Control Room · Sales Gym

Legacy Workforce

₹6,00,000

A thirty-strong AI workforce

30 AI staff in 5 departments, from 82 roles · the AI office · staff that act on their own · Tally, email, calendar · team of 25

AI TOOLS, THEN AI STAFF

Up to ₹25,000 you get **AI tools**: press a button, it writes, you send. From Growth Mentorship you get **AI staff** who work on your own WhatsApp number and CRM, around the clock.

ONE HUB, ALL THE WAY

Nothing to move when you grow. Your website, leads, customers and history stay where they are; each level switches on more of the same hub.

YOU STAY IN CHARGE

Messages to your customers wait for your tap. Money messages always wait for a person — at every level.

Online today, free.

For every workshop attendee · 10 AI runs a month

Business AI Action Hub

SET UP · START

BUSINESS BRAIN · START

Tell us about your business.

Pick the easiest way. The AI fills in a draft; you check it and correct anything before it's saved. It only uses what you give it — it never makes up prices or claims.

I have a website

We read your website and fill everything in. You check it.

Tell us by voice

Talk for a minute about your business — in Hindi, English or your own language.

Type it

Write a few lines, the way you'd explain your business to a new customer.

Fill the form myself

IN YOUR FIRST 15 MINUTES

- A live website at **yourname.employz.ai** with an inquiry form and Chat on WhatsApp
- A brand message and a 30-second pitch
- Your Business AI Score out of 100 and the 3 fixes that matter, with a card to share
- A WhatsApp Status poster, a digital visiting card and a QR stand, in your colours
- Every inquiry in one place, with a WhatsApp alert to you

AI WRITER

Your writing assistant: a week of posts, replies to customers, answers about your business — and rough Hindi, Hinglish or English turned into polished English. It already knows your business.

Fill your Business Brain the easy way: from your website, a voice note in your language, or a few typed lines. You check it.

AI TEAM · AI OFFICE

AG-02

Your AI office, at work.

Tell your Chief of Staff what you need, in plain words. The office plans it across five departments, does the work in your hub, and asks before it messages a customer. Money messages always wait for you.

GIVE THE OFFICE AN INSTRUCTION

e.g. Follow up with every lead that's still waiting, and remind customers who owe us money

FOLLOW UP WITH EVERY LEAD THAT'S STILL WAITING

WRITE NEXT WEEK'S POSTS ABOUT OUR FESTIVE OFFER

WRITE AN SOP FOR HANDLING A NEW ORDER AND ASSIGN TASKS TO THE TEAM

REMIND CUSTOMERS WHO OWE US MONEY

WE NEED TO HIRE A SALES EXECUTIVE

WHAT SHOULD I FOCUS ON TO GROW FASTER THIS MONTH?

The AI office: give one instruction in plain words; the Chief of Staff plans it across departments and your staff do it.

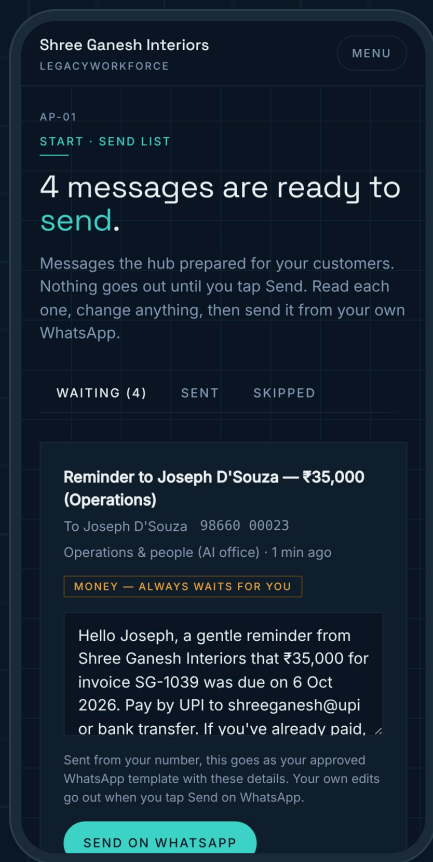

Staff may act on their own when you allow it — never with money messages or links. Tally, email and your calendar connect too.

BUSINESS AI ACTION HUB

■■■■

BR-08

You stay in charge.

The Send list: the hub writes, you send

Nothing goes to a customer until you decide — and money messages always wait for a person.

THE HUB'S OWN NUMBER

Only ever messages you: your login code, a new inquiry, your morning digest, your week, a chat that needs you. It never messages your customers.

UP TO ₹25,000

Every customer message is prepared in your Send list. Tap **Send on WhatsApp** and your own WhatsApp opens with the message typed. You can change a word first.

FROM ₹1,50,000

Your AI staff reply from your own number and hand a chat to you when a person is needed. Payment reminders and quotations still wait for you. Only at LegacyWorkforce can staff act on their own — never with money or links.

LIMITS THAT PROTECT YOUR NUMBER

200 instant replies a day · 20 AI replies per chat a day · 60 calls a day · 200 campaign messages a day, 10am–7pm · at most 4 payment reminders per bill.

Start free. Grow when you're ready.
